

## Community resources

Doctors For Kids offers a helping hand through links and networks of resources through the community programs. A comprehensive list of these is present here. Dr Mavani volunteers her time at these classes on weekends and holidays to help build stronger kids in her community. Topics of education in the past have included Asthma, Wellness education and Birth classes. We also offer health dept shots through the office for underinsured or uninsured patients through the Vaccines For Children's program.

Here is a list of useful resources for you and your child.

### **Oakland County Head Start**

Head Start is a child development program (birth to age 5) that has served low-income children and their families since 1965. For information about Oakland County Head Start, contact:

Oakland Livingston Human Service Agency  
P.O. Box 430598  
196 Oakland Avenue  
Pontiac, Michigan 48343  
Phone: 248-858-5091

For information about the Head Start program, visit the **U.S. Department of Health and Human Services, Administration for Children and Families' Web site for Head Start.**
